

Business Sustainability Modules

Awareness Days & Events – Bike Week

Encourage cycling to work

- Provide good bicycle parking, showers and change facilities.
- Encourage staff to find a bike buddy – especially if new to riding in traffic.
- Run challenges with prizes for most kilometres or days biked.
- Host a cycle training events for those wanting a refresher course or to learn.
- Have a lunch session where staff bring a photo of their childhood bike and get the local bike shop to talk about bike choice, maintenance and training.
- Pool bicycles or provide access to the local cycle hire.

Sustainable commuting

- Start a walking group or organise lunchtime walks.
- Provide information on available public transport.
- Offer incentives to take public transport.
- Support public transport use for business meetings and trips.
- Hold a car-pool postcode morning tea to help staff connect
- Provide incentives such as parking discounts or allocated parking spaces for staff who carpool.
- Encourage staff to hold meetings virtually (video conferencing) where possible.
- Enable staff to work remotely and support flexible work arrangements.
